

## Corporate Partnerships

Groomed to Go, trading as Dress for Success South East Melbourne and Smart Blokes, is a registered not-for-profit organisation that offers a dressing service for women and men who do not have access to suitable attire for life events. This could be for interviews or work, court appearances, funerals, or an emergency wardrobe for those fleeing domestic violence. We also provide one-on-one coaching in resume building and interview skills, mentoring and a range of workshops.
